

European  
Crohn's and Colitis  
Organisation

Vienna, November 2015

Dear Dr. Tighe,

ECCO Grant:

*Optimal use of immunomodulator and biological therapy in Inflammatory Bowel Disease*

We are delighted to confirm that you have been successful in your application for an ECCO Grant. Many congratulations. This is a tribute to you as an individual, to the host university and to the project which we hope will be successful. We particularly draw your attention to the official **announcement of your Grant at the ECCO Congress in Amsterdam (Friday, March 18, 2016 at 15:34-15:40)**, which we assume you will be attending. The title will be announced and you will be invited to the podium, although there is no need to make a presentation at that stage. We assume you will be attending, but if you are unable to be there, can you please let us know promptly.

We would also like you to write a **300 word synopsis** of the project for ECCO News Issue 4/2016 (to be sent to the ECCO Office [m.cunockova@ecco-ibd.eu](mailto:m.cunockova@ecco-ibd.eu) by October 14, 2016). Please structure the report as follows:

- a. Aim of research
- b. Methodology
- c. Proposed timing

In addition, to give appropriate acknowledgement to ECCO, the conditions of the Grant include:

- There must be a signed agreement between the Grant recipient and ECCO (to be sent to you in due course from the ECCO Office)
- When presenting or publishing results of the Grant project, the name and logo of ECCO will be presented on all printed matter or slide presentations by way of acknowledgement to ECCO.
- If the full paper is not published in *JCC* or *Gut*, then a synopsis of the paper from the work supported by the Grant should be submitted to *JCC* for publication as a "selected summary" of ECCO publications.

Can you please confirm acceptance and send details of the account to which the money will be paid to the ECCO Office ([m.cunockova@ecco-ibd.eu](mailto:m.cunockova@ecco-ibd.eu)). A contract will be drawn up that will need to be signed by the Head of Department at the Grant candidates' institute and the Grant candidate.

Yours sincerely

Prof. Gerhard Rogler

*Chair of ECCO Scientific Committee*
