Conflict of interest

Dear Editors, I am sending You the article intitled „A minireview on Hepatitis C virus-associated B-cell non-Hodgkin's lymphomas”.

My Number ID: 00182548.

The manuscript has not been and will not be published elsewhere or submitted elsewhere for publication.

There is no potential conflict of interest for author.

This article doesn't include experimental studies on human subjects or animal experimentation.

I would be very glad if I could continue the cooperation with You.

Thank You very much!

Best regards,
