

May 18, 2016

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: **HAMA\_26092\_160519.doc**).

**Title: Benefits and harms of endoscopic screening for gastric cancer**

**Author: Chisato Hamashima**

**Name of Journal: *World Journal of Gastroenterology***

**ESPS Manuscript NO: 26092**

I appreciate the constructive comments of the reviewers and the opportunity to submit a revised version of my manuscript entitled, “**Benefits and harms of endoscopic screening for gastric cancer**”.

I carefully revised my manuscript in accordance with the comments raised. The corresponding changes in the revised paper are underlined.

The revised manuscript was also thoroughly checked and edited by a native English-speaking medical editor with specialist knowledge in this field to meet the language standards required by leading English language publications.

I hope that the revisions made have satisfactorily answered all the comments raised and that our paper is now suitable for publication in the *World Journal of Gastroenterology*.

Thank you in advance for considering our revised paper for publication. I look forward to hearing from you at your earliest convenience.

Yours sincerely

Chisato Hamashima MD, DrMedSc
