IMPORTANT: PLEASE FORWARD THIS COPY
TO YOUR BUSINESS OFFICE

April 1, 2014

Karen E. Lasser, MD MPH
Department of Medicine
Boston Medical Center
801 Massachusetts Avenue
Boston, MA 02118

Dear Dr. Lasser:

Re: Grant #RSG-14-034-01-CPPB

On behalf of the American Cancer Society, I am pleased to inform you of the award of a Research Scholar Grant to Boston Medical Center to support your research project, "Patient Navigation and Financial Incentives to Promote Smoking Cessation." The conditions and terms of the award are as follows:

Principal Investigator:	Karen E. Lasser, MD MPH
Grant Number:	RSG-14-034-01-CPPB
Award Period:	July 1, 2014 through June 30, 2018
Approved Budget:	\$792,000 including indirect costs
Payment Schedule:	Monthly

If you wish to accept this award, please follow the enclosed instructions for submitting an Activation Form with all required signatures. The Society will begin payments on the grant following receipt of this form. The award will be paid in equal monthly installments inclusive of both the direct and indirect dollars. All payments will be made to the Boston Medical Center.

This grant is subject to the Society's "Policies of Research Scholar Grant" effective July 2013 (enclosed) including the Society's patent policy, and a failure to comply with such Policies or with any other terms in connection with the grant may result in the American Cancer Society suspending or cancelling grant funding, to be decided by the American Cancer Society in its sole discretion. Acceptance of the award confirms that funds to conduct this research are not being provided by any other funding agency. Please note that the Society's policies are updated regularly and that the current version of the policies supersedes any previous versions. The most recent version of the policies can always be found at www.cancer.org/research.

The following conditions also apply to the grant:

- Acknowledgement of American Cancer Society funding by you and by the institution in all public communication of work resulting from this grant, including published studies, media communications, and internet-based communications as follows: "Karen E. Lasser, MD MPH was supported by a Research Scholar Grant, RSG-14-034-01-CPPB from the American Cancer Society". Please do not abbreviate the name of the Society.
- Timely submission of grant reports. Noncompliance may result in the withholding of payment on all grants in effect at the recipient's institution, or on grants that may be awarded in the future, until reports are received.

Questions and correspondence concerning the awarding and management of the grant should be directed to the National Program Director listed below who will be your primary point of contact during the term of the grant.

Elvan (Ellie) Daniels, PhD
Extramural Grants Department
American Cancer Society
250 Williams Street
Atlanta, GA 30303-1002

AMERICAN CANCER SOCIETY AWARDEE INSTRUCTIONS FOR DOWNLOADING AND UPLOADING DELIVERABLES

The American Cancer Society is pleased to announce our continued association with Altum proposalCENTRAL by subscribing to the **Post Award Management System**. The system is designed to collect grant post award information from grantees. Grantees are asked to keep their ProposalCentral profile current for the duration of the grant.

All awardees of an ACS grant will need to upload deliverables, and then send an email (correspondence) to the Program Director/Program Coordinator informing the program office of the submitted deliverables. The first deliverables that we will be collecting through the **Post Award Management System** are the "Activation Form" and the "ACH Payment Form." Please email Sherar Gillespie at Sherar.Gillespie@cancer.org in the Research Business Office notifying her that you have uploaded the forms.

The site is set up so that grantees and the institutional grants administration office can obtain forms and instructions on a variety of required reports, including forms to request changes to the original award. Among these you will find: Report of Expenditures, Transfer Request, Change of Term and Extension of Term etc.

Uploading an Award Deliverable

- Log onto <https://proposalcentral.altum.com>
- **PI must enter their ProposalCentral username and password in "Applicant Login" to access their award detail information**
- Click on the Awarded link or all Proposal link
- In the Status column, click on the Award Details link
- On the Award Details screen, click on the Deliverables link at the bottom of the screen
- Go to the **Deliverables Templates** section at the bottom section of the screen to select the appropriate template
- Download and save the template to your computer and complete it.
- To Submit Grant Deliverables and other documents, click the Upload link next to the scheduled deliverable and date
- Click "Browse" button to select the file from your computer.
- Click Save to upload the deliverable. You can replace the uploaded document with another document by clicking Browse....again, selecting a different document from your computer files and click the Save (Adding description of deliverable is optional)
- Click Close

To upload Grant Activation Form and other documents such as Publications, CV, Report of Expenditure etc...:

- Click the "Add Deliverable" link on the Award Deliverable screen
- Select the appropriate form from the drop down menu next to "Deliverable Type" from the pop up screen
- Type in the "Deliverable Description" (i.e.: Grant Activation, Publications; CV; etc...)

- Select the Due Date (the date of submission)
- Click "Browse" to upload their document
- Click "Save"

Send Email (Correspondence) to an ACS Administrator

- To send correspondence to Program Director at the ACS, click the "Correspondence" link from the Award Details screen
- From this page, you can see any correspondence that has already been sent by clicking on the Blue link in the Message column
- Use the Respond link to respond directly to a message you have received
- To send a new message, click "Send Correspondence to Program Director" at the top of the page
- Select the administrator(s) who should receive the correspondence email
- Enter a subject and text for the correspondence in the spaces provided
- Click the "Send Email" button to send the email(s) to the selected administrator

Once an application is awarded it moves from proposalCENTRAL into the Post Award Management System. People who previously had access to your application in proposalCENTRAL will not have access to your awarded grant in the Post Award Management System. You may need to allow access to different users than those listed in proposalCENTRAL to enable them to upload various reports on your behalf.

To allow to another user access to your award and to submit deliverable

- Person(s) must be a registered user on proposalCENTRAL. If they are not, ask them to register as a new user at:

<https://proposalcentral.altum.com/login.asp>

- Once user is registered, from Award Detail screen click Contacts and User Access link
- Click on Manage User Access To Award at the top of the screen
- Enter and confirm email address of person
- Click on Add button
- Change the Permissions role from View to Administrator
- Click on Save button to activate access for new person

Additional information and help can be obtained through proposalCENTRAL customer support desk:

By phone: 1-800-875-2562 toll free
