

Dear Sir,

I declare that English revision has been made by dr Sharmila FAGOONEE (PhD), born in Mauritius, a country where official language is English. Thus, she is a native-speaker English. Moreover, the background of dr FAGOONEE is enterely scientific. She has spent periods in US (Boston, Harvard University), in UK (London and Manchester) and in France, (Bordeaux, Pellegrin Hospital). In Italy she collaborated in several gastroenterological contributions, as documented by its publications cited in Pubmed/Medline.

Best regards

Rinaldo Pellicano, MD
