On behalf of all the authors in this manuscript, I present the biostatistics statement here. I am Yu-Bei Huang from department of Epidemiology & Biostatistics in Tianjin Medical University Cancer Institute and Hospital, and I have been working here for 4 years. I graduated from department of Epidemiology & Biostatistics in Peking University Health Science Center with doctor's degree at 2012. I had reviewed all the statistical methods in this study. In my opinion, all the statistics described in this study are correct and appropriate.
