

## Answering reviewers

Reviewer's comment: Please revise your article according to the reviewers' comments/suggestions and provide point to point responses to each in the letter format specified in the attached files. Please highlight the change according to the comments. Tips in this file do not need to be answered, just revise according to them. Thanks!

Author's response: All changes have been made according to the comments and the altered areas of the manuscript have been highlighted.

Reviewer's comment: Please add this section according to the guideline and format attached.

Author's response: The core tip has been added to the manuscript.

Reviewer's comment: Please put the reference numbers in square brackets in superscript at the end of citation content or after the cited author's name. Please check throughout the text. For item like this, please order like this: fibula<sup>[1-4]</sup>.

Author's response: All reference numbers have been updated and are in square brackets and superscripted.

Reviewer's comment: Please add this section according to the guideline and format attached. It's necessary for publishing.

Author's response: The comments section has been added to the manuscript.

Reviewer's comment: Please showed them like this: [PMID: 4030854 DOI: 10.1007/978-1-4613-8882-1\_8]

Author's response: All of the references have been updated to the correct PMID and DOI format.
