

Biostatistics and Confirmation of data

2016-07-13

Concerning the manuscript entitled "Oral but not written test anxiety is related to social anxiety", I confirm that statistical review of the study was performed by Dr. Michael Höfler, Institute of Clinical Psychology and Psychotherapy, Technische Universität Dresden, Germany.

Dr. Michael Höfler, Dipl.-Stat.
Institute of Clinical Psychology and Psychotherapy,
Technische Universität Dresden
Chemnitzer Str. 46, 01187 Dresden, Germany
E-mail: michael.hoefler@tu-dresden.de
Phone: +49 (0)351 - 463 36921, Fax: +49 (0)351 - 463 36984

After careful revision and consultation with colleagues, I verify that (1) statistical methods are adequately and appropriately described when they are used to verify the results; (2) that materials and methods were administered correctly, and that statistical parameters such as sample size, sample description and drop-out rates and presentation of statistical data are included according to the Journal's requirements and guidelines.

Yours sincerely

Dr. M. Höfler
