## Re. Research Ethics Application

Dear Dr. Adamis,

The Research Ethics Committee (REC) at Sligo University Hospital has received your submission for ethical review of the study "*Agreement and equation between Mini Mental State Examination (MMSE) and Montreal Cognitive Assessment (MoCA) in an Old Age Psychiatry outpatient sample*".

The study underwent expedited review and the REC Chairman has given a **favourable ethical opinion** for the study for Sligo University Hospital.

### Documents reviewed:

- Application Form
- PI CV

The REC requires that approved studies submit an annual report to the REC. The annual report for the above study is due on July 14 2017.

Yours sincerely,

Dr. John Williams  
REC Chairperson

cc. Dr. Geraldine McCarthy, SMHS

### ***Mission Statement***

*Sligo University Hospital is committed to the delivery of a high quality, patient centred service in a safe, equitable and efficient manner.  
We recognise and value the contribution of each staff member and endeavour to support them in their ongoing development.*
