

To the Editor of the
World Journal of Gastroenterology

Vicenza, 1-AUG-2016

Dear Editor,
we have addressed all points raised by the reviewers in the most recent version of the manuscript. Basically, references have been amended according to suggestions and journal's policy.
We have revised the language once again, and signed the copyright form as indicated.
We hope this version will be suitable for publication in your journal,
thanks very much
Carlo Visco
