**Manuscript Type:** Original Article

### Answering Reviewers

Each reviewer comment has been addressed in the response to reviewers file. The revisions are highlighted in red in the manuscript.

1. **Conflict of Interest Statement:** Please offer a signed pdf file with all the authors. Thank you!

[Signed conflict of interest statement has been included.](#)

2. **Institutional review board statement:** Any article describing a study (basic research, clinical research, and case report) involving human and/or animal subjects is required to have the institutional review board (IRB) name, whether institutional (part of the author(s)' academic/medical institution, such as the Oak Grove Children's Hospital Institutional Review Board) or commercial/independent/private (contracted for-profit organizations, such as the ClinicCare Coalition for Human Rights Institutional Review Board), stated explicitly in the title page. In addition, a copy of any ethic approval document(s)/letter(s) or waiver should be provided to the BPG in PDF format.

[IRB statement has been included.](#)

3. **Informed consent statement:** Any research article describing a study (clinical research and case report) involving humans should contain a statement in the title page clearly stating that all involved persons (subjects or legally authorized representative) gave their informed consent (written or verbal, as appropriate)

prior to study inclusion. In general, the BPG requires that any and all details that might disclose the identity of the subjects under study should be omitted or anonymized. In the rare situation that a study participant's identifiable information is crucial to the case presentation, the statement of informed consent is absolutely necessary, unless the participant is deceased. In addition, a copy of any approval document(s)/letter(s) or waiver should be provided to the BPG in PDF format.

[Informed consent statement has been included.](#)

4. **Telephone and fax** should consist of +, country number, district number and telephone or fax number, e.g. Telephone: +86-10-59080039, Fax: +86-10-59080039.

[The telephone and fax numbers have been updated based on these guidelines.](#)

5. **Core tip:** Please write a summary of less than 100 words to outline the most innovative and important arguments and core contents in your paper to attract readers.

#### **Audio Core Tip**

Please offer the audio core tip, the requirement are as follows:

In order to attract readers to read your full-text article, we request that the first author make an audio file describing your final core tip. This audio file will be published online, along with your article. Please submit audio files according to the following specifications:

**Acceptable file formats:** .mp3

**Maximum file size:** 10 MB

To achieve the best quality, when saving audio files as an mp3, use a setting of 256 kbps or higher for stereo or 128 kbps or higher for mono. Sampling rate should be either 44.1 kHz or 48 kHz. Bit rate should be either 16 or 24 bit. To avoid audible clipping noise, please make sure that audio levels do not exceed 0 dBFS.

[A core tip of less than 100 words has been included. An audio core tip file has been uploaded.](#)

6. **Reference Numbers:** Please reformat all the reference numbers like this. Please check throughout. Thank you! The Authors should put the number of the references in Arabic numerals according to the citation order in the text. Put reference numbers in square brackets in superscript at the end of citation content or after the cited author's name. For citation content which is part of the narration, the coding number and square brackets should be typeset normally. For example, "Crohn's disease (CD) is associated with increased intestinal permeability<sup>[1,2]</sup>." The reference number is in front of the full stop, check all the text!

The reference numbers have been updated based on these guidelines.
