

Dear Editor,

Please find enclosed an electronic copy of the full-text manuscript in Word format  
(file name: wjg.2012.manuscript n 999-Revised.doc).

**Title:** Endoscopic tools for the diagnosis and evaluation of celiac disease: the state of the art

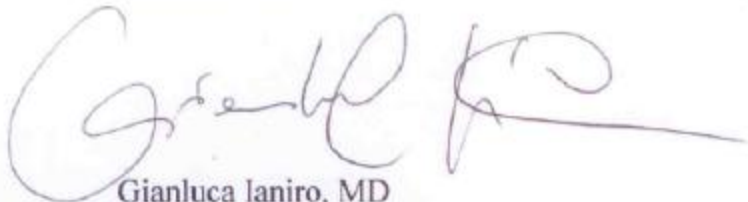

**Author:** Ianiro Gianluca, Gasbarrini Antonio, Cammarota Giovanni

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated (changes are marked in red)
2. Revision has been made according to the suggestions of the reviewer: we have added some histopathological pictures.. We have tried to send colour pictures as separate files, but the submission system has not allowed us to do it, so we have enclosed all the pictures in the manuscript file.
3. References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in dark ink, appearing to read 'G. Ianiro', followed by a long horizontal flourish.
