Dr. Shahab Abid  
Department of Medicine  
Aga Khan University  
Karachi

Dear Dr. Abid,

**Re: 965-Med/ERC-08. PI – Dr. Shahab Abid: Effect of Itopride on gastric accommodation and emptying in patients with functional dyspepsia**

Thank you for your response to the Committee's recommendations along with the modified documents regarding the above mentioned study.

The clarifications submitted by you were found satisfactory. The modified application form and informed consent were acceptable. The study is given an approval for a period of one year. Any changes in the protocol or extension in the period of study should be notified to the Committee for prior approval.

All informed consents should be retained for future reference.

Thank you.

Yours sincerely,

Dr. S. Q. Nizami  
Chairman  
Ethical Review Committee
