Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 28922-review-final.doc).

Title: The antioxidant effects of aqueous extract of Salep on Paraquat-induced rat liver injury

Author: Shekoufeh Atashpour, Hossein Kargar Jahromi, Zahra Kargar Jahromi and Sanaz Zarei

Name of Journal: *World Journal of Hepatology*

ESPS Manuscript NO: 28922

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) All suggestions respected referees in the text were highlighted in yellow.

(2) Table 3 were added and modified

(3) Figure 1 showing picture employing the haematoxylin and eosin and Masson Trichrome stain methods were added and all histological changes were shown in this figure

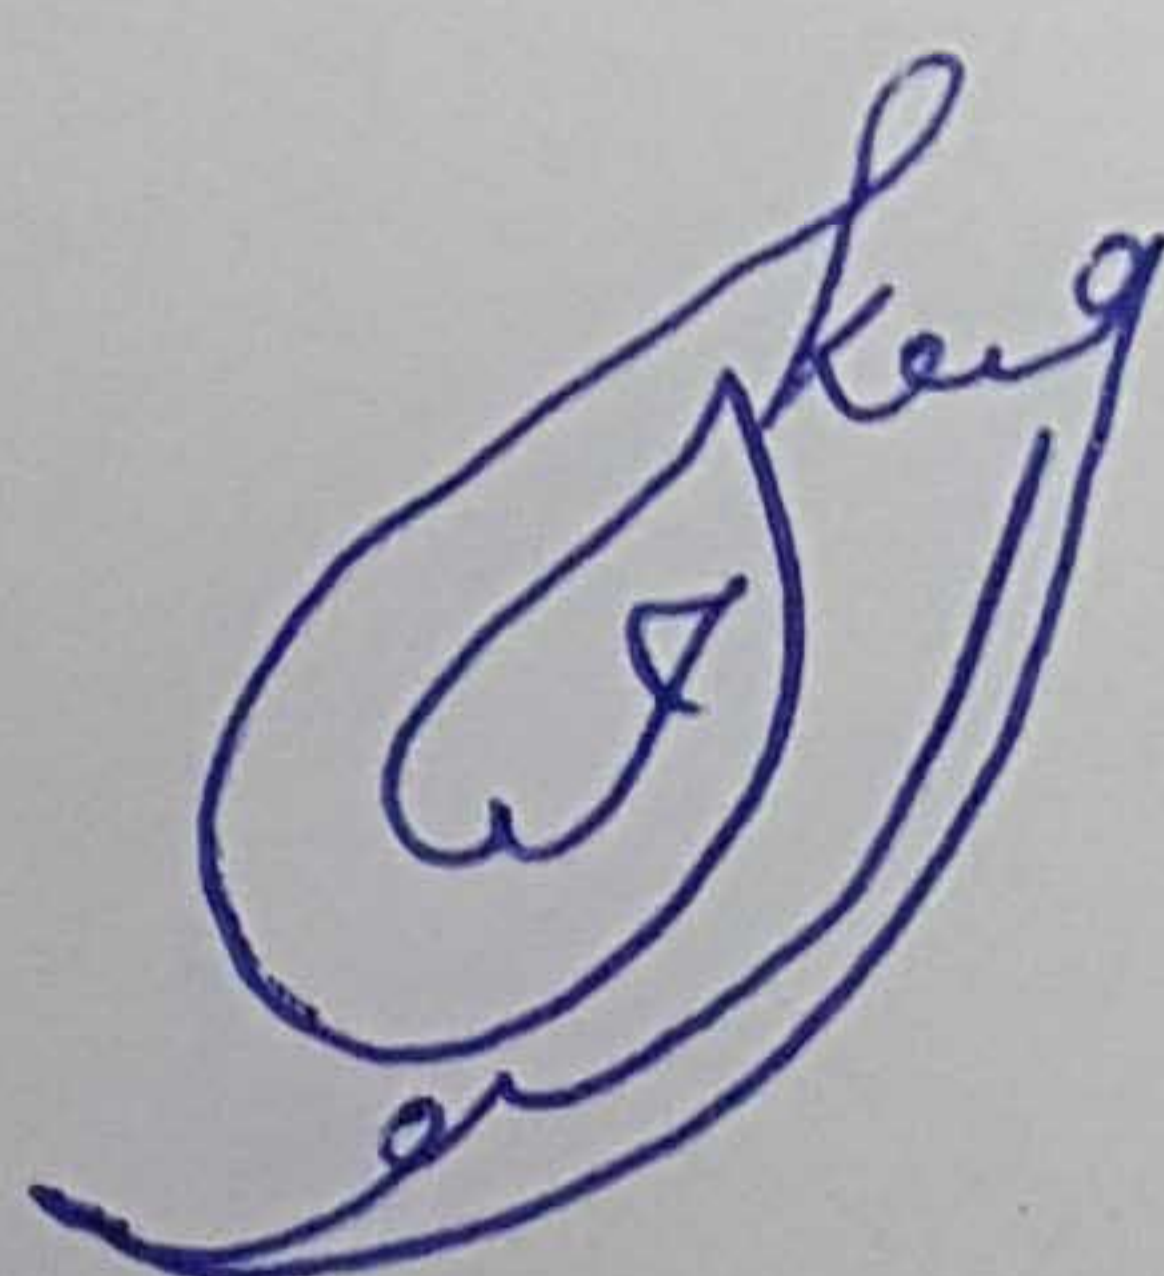

(4) About conducting further analysis on serum and tissue: Since the implementation phase of this project has long been completed and enzymes half-lives in serum are short, there will be high probability of occurring error in doing further analysis and measurement on serum. Therefore, we will consider this further analysis in our future studi

3 References and typesetting were corrected, reference number 19 were added regarding the Masson Trichrome stain methods were

Thank you again for publishing our manuscript in the *World Journal of Hepatology*

Sincerely yours,

Hossein Kargar Jahromi
