My name is Mervin Eyler. I am a native speaker of (American) English and have 22 years of experience in translating and correcting manuscripts for publication in biomedical journals. A few of the authors with whom I have had the privilege to work are Josep Redon, Empar Lurbe, Vicente Bodí, Miguel Cerdá-Nicolás, Francisco Javier Belda, and Ana Lluch. Doctors Redon and Lurbe have mentioned me in the acknowledgments of some of their articles.

I sincerely hope the corrections I have made to the English of Dr. Segarra's manuscript (ESPS Manuscript NO: 29010) meet your publication's standards.

If you have any further doubts, please do not hesitate to contact me.

Best regards,

Mervin Eyler
