

Dear Sir,

following your request I declare that the language of this paper reached Grade A. English revision has been made by dr Sharmila FAGOONEE (PhD), born in Mauritius, a country where official language is English. Thus, she is a native-speaker English. Moreover, the background of dr FAGOONEE is entirely scientific. She has spent periods in US (Boston, Harvard University) and in UK (London and Manchester). In Italy, she collaborated in several gastroenterologic contributions, as documented by its publications cited in Pubmed/Medline.

In conclusion, dr. FAGOONEE, who has reviewed our paper is a native-speaker English with expertise in endoscopy.

Best regards

Rinaldo Pellicano, MD

Department of Gastroenterology and Hepatology

Molinette Hospital, Turin, Italy

Editorial Board Member and reviewer of World Journal of Gastroenterology

A handwritten signature in blue ink that reads "Rinaldo Pellicano". The signature is written in a cursive, flowing style.

I hereby certify that I have reviewed and checked for English form and syntax paper N. 29077 submitted by Dr Actis and Pellicano to the World J Gastrointest Pharmacol/ther and I approve for it in its present form.

Best regards

Sharmila Fagoonee, PhD

Molecular Biotechnology Center, University of Turin, Turin, Italy
