Thank you.

First reviewer gave excellent recommendation with high priority for publication and no changes is advice.

The second reviewer gave good recommendation and advice 3 points, all dealt with as per his recommendation (text in red color):

1- by the world Bank identifies the LMICs as those having per capita gross annual income of less than \$12,275 USD

2- the typo was corrected

3-A statement was added:

Such reliance might affect accuracy and size of the magnitude of the problem and adversely affect outcome by taking expensive measures that are directed to the part and not all segments of the problem.

The third reviewer again gave high priority for publication and we corrected the typo he pointed out, see attached abstract.

Thanks and best regards
