Dear Editors,

On behalf of all the co-authors of the manuscript titled "The Role of Gastroesophageal Reflux Disease in Lung Transplantation", including Kelly Hathorn, Wai-Kit Lo, and myself, I warrant that no author has any commercial associations (e.g., consultancies, stock ownership, equity interest, patent/licensing arrangements, etc.) that might pose a conflict of interest in connection with the Article. There are no conflicts of interest to declare by any of author related to the submitted work.

Thank you for your consideration and we look forward to hearing from you soon.

Sincerely,

Walter Chan
