

MANUSCRIPT TITLE: Percutaneous intraductal radiofrequency ablation in the treatment of biliary stent occlusion: A preliminary result

MANUSCRIPT ID NUMBER: 29752

CONFLICT OF INTEREST

I certify that any financial interests such as employment, stock ownership, honoraria, paid expert testimony, as well as any personal relationships, academic competition, and intellectual passion which may inappropriately influence my actions, have been included within my manuscript. If none exist, the statement "Conflict of interest of None" has been also been included.
