

## ANSWERING REVIEWERS

**Title: Barriers to colorectal cancer screening in the developing world: The view from Pakistan**

**Author:** Furqaan Ahmed

**Manuscript No: 3019**

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated
2. Revision has been made according to the suggestions of the reviewer

Thank you for your helpful comments on this paper. Unfortunately, all the data requested by the reviewer is not available for Pakistan. Specifically, the leading causes of death and number of digestive specialists per 100,000 inhabitants is not known. Available data for Pakistan on life expectancy and healthcare expenditure per capita have been added.

3. References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,
