To whom it may concern,

In response to a request of a statistical review letter, I can confirm the statistical competence of the paper titled: "HIGH RISK OF TEMPOROMANDIBULAR DISORDER IN IRRITABLE BOWEL SYNDROME.

Is there a correlation with greater illness severity?" Authors: *Serena Gallotta, Vincenzo Bruno, Santo Catapano, Nicola Mobilio, Carolina Ciacci and Paola Iovino.*

Yours sincerely,

A handwritten signature in cursive script, appearing to read 'Fabiana Zingone', written in dark ink.
