I declare and guarantee that the manuscript n° 3053, titled **“Electrochemotherapy and heart function: treatment in a patient with ICD/PMK”** and submitted to the *World Journal of Anesthesiology* for the publication, is written with a good property of English language (Grade A) and I believe that it doesn't need to be revised by professional English language editing companies or native- English experts.

Maurizio Marandola, MD

A handwritten signature in black ink, appearing to read 'Maurizio Marandola', written in a cursive style.
