World Journal of Gastroenterology

Dear Editor,

Please find enclosed the revised version of the Letter to the Editor, entitled "Correcting for non-compliance when determining colonic transit time with radio-opaque markers," as suggested by the Editor and Reviewers. The amended sections are highlighted in yellow.

Here, we declare that E.I. DuPont de Nemours & Co. (DuPont), the company that sponsored the preparation of this Letter to the Editor, develops products for digestive comfort.

The authors—Alvin Ibarra, Ph.D., Kaisa Olli, M.Sc., and Arthur C. Ouwehand, Ph.D.—were employees of DuPont during the preparation of the Letter to the Editor and declare no other conflicts of interest.

We hope that our manuscript is now ready for publication.

Looking forward to hearing from you.

With best regards,
