Name of Journal: *World Journal of Orthopedics*

ESPS Manuscript NO: 30575

Manuscript Type: Original Article

We are excited to submit our paper “**The role of dynamic CT scans in patients with congenital craniovertebral junction malformation**” for evaluation and publication. This article is original and has not been submitted to any other journal for publication. The authors present no conflict of interest related to the current manuscript. The ethical requirements for the production and submission of the manuscript have been adequately followed. None of the authors have financial disclosures related to the subject of the current paper.

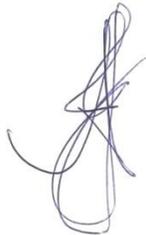

We thank you for the opportunity to submit our paper to **World Journal of Orthopedics**.

With our best wishes,

Authors of the manuscript.
