

## NON-NATIVE SPEAKERS OF ENGLISH

The manuscript with number 30604 named Surgery for Calcifying Tendinitis of the Shoulder: a systematic review has checked for language errors by a native English speaker who is an experienced reader and author of scientific orthopedic literature. She has checked the complete manuscript for grammatical and linguistic errors.

Yours,

Freek Verstraelen  
Resident in Orthopedics in the Netherlands

Native English Speaker, S. Morrenhof:
