Re: revised manuscript

Dear editors,

We really appreciate your careful review of my manuscript entitled “**The therapeutic mechanism of Yinchenhao decoction in hepatic diseases**”, and it is our great pleasure to have been given the opportunity to revise our manuscript.

The great helpfulness of comments from the editor and reviewers gives me a pleasant surprise. A great deal of efforts we did carefully to revise this manuscript, especially the format and source files of the references and hope that this manuscript will meet the standards of world journal of gastroenterology for publication. The changes are listed as follows.

For manuscripts submitted by non-native speakers of English, please provide language certificate by professional English language editing companies mentioned in ‘The Revision Policies of BPG for Article’.

R: The language certificate letter is attached as followed. Thank you.

Please rearrange all the authors’ affiliations with Department, University or Institute, City, Postcode, Country, etc. Please see the format in the attachment (without any symbol or figure like * or 1).

R: All the authors’ affiliations with Department, University or Institute, City, Postcode, Country, etc. has been corrected as you said. Thank you.

Core tip: Please write a summary of less than 100 words to outline the most innovative and important arguments and core contents in your paper to attract readers.

R: The Core tip has been added in this paper. Thank you.

Audio core tip:

In order to attract readers to read your full-text article, we request that the author make

an audio file describing your final core tip, it is necessary for final acceptance. Please refer to Instruction to authors on our website or attached Format for detailed information.

R: The Audio core tip has been uploaded. Thank you.

[批注]jy1:Please reformat all the reference numbers (superscript with square brackets). Please check throughout. Normal line space is required. Thank you!

R: All of the reference numbers and line space have been corrected. Thank you.

[批注]jy2:All figures, tables and legends should not be in the main text. They should be put at the end of this paper.

R: All figures, tables and legends have been removed to the end of this paper. Thank you.

[批注]jy3:Please add PubMed citation numbers and DOI citation to the reference list and list all authors. Please revise throughout. For those references that have not been indexed by PubMed, a printed copy of the first page of the full reference should be submitted.

PMID (<http://www.ncbi.nlm.nih.gov/entrez/query.fcgi?db=PubMed>)

DOI (<http://www.crossref.org/SimpleTextQuery/>) (Please begin with DOI: 10.**)

R: The PubMed citation numbers and DOI citation of the reference in SCI have been annotated. But some references are from China national knowledge internet and the other Chinese Journal, so they do not have a PMID, even some articles do not have a DOI, so these are attached to the "30768-Supplementary Material". Thank you.

Thank you so much for your help and support!

I hope that the present manuscript is suitable for publication in world journal of gastroenterology.

Yours sincerely,

Mingyu
