

Editorial Certification

This document certifies that the manuscript titled "Duodenoscopy and hidden intradiverticular papilla: a novel approach that facilitates ERCP" was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at ELIXIGEN (Huntington Beach, California) on April 19, 2012.

Neither the research content nor the authors' intentions were altered in any way during the editing process.

Documents receiving this certification should be English-ready for publication (target journal: Endoscopy) - however, the author has the ability to accept or reject our suggestions and changes. We cannot guarantee the changes after this editing.
