Editorial Team

World Journal of Translational Medicine

I certify that the manuscript entitled "**Scope of translational medicine in developing boron-containing compounds for therapeutics**" was reviewed for grammar, spelling and style by a native English speaker familiar with the field.

Documents receiving this certification should be English-ready for publication. However, the author has the ability to accept or reject my suggestions and changes.

Kind Regards,

Bruce Allan Larsen

A handwritten signature in dark ink, appearing to read 'Bruce Allan Larsen', written in a cursive style.
