## TO WHOM IT MAY CONCERN

This letter has been written to certify that Dr. Nader-Alipour Manuscript "Letter to editor "entitled "*Helicobacter is preserved in yeast vacuoles! Does Koch's Postulates confirm it?*" has been edited by Dr. M.B. Rafi, Professor of Neurology at Thomas Jefferson University, Philadelphia PA, USA and I have checked it. His manuscript has not Grammer error,it can be published in your journal.
