**ESPS Manuscript NO:3142**

Dear Editor,

We revised our manuscript ‘Ingested bone fragment in the bowel: Two cases and review of literature’ according to suggestions of reviewers. All corrections marked in red.

1. As your request, we made the linguistic and grammar corrections in the text.
2. As your request, we added other references to the next reference 7.
3. As your request, we removed part of that comparing with our case and other studies.

Best Regards

SELİM SÖZEN, Namık Kemal University, Medical Faculty, General Surgery Department, Tekirdağ/Turkey. [selimsozen63@yahoo.com](mailto:selimsozen63@yahoo.com).
