

Dear Editors,

Enclosed is the conflict-of-interest statement for our manuscript titled: "Colonic ulcerations may predict steroid-refractory course in patients with ipilimumab-mediated enterocolitis".

**Conflict-of-Interest Statement:** Animesh Jain has no declarations. Evan J. Lipson has served as a consultant for Bristol-Myers Squibb, EMD, Serono, Merck and Novartis. He has received research funding from Genentech and AstraZeneca. William H. Sharfman has served as a consultant for Merck, Genentech, and Castle Biosciences, and he has received research funding from Bristol-Myers Squibb, Glaxo Smith Kline, and Novartis. Steven R. Brant has served as an advisory board member for Asana Medical Inc., and he has received research funding from Johnson and Johnson. Mark G. Lazarev has no declarations.

Sincerely,

A handwritten signature in cursive script, reading "Animesh Jain, M.D.", followed by a comma and the letters "M.D." in a slightly larger, more formal font.
