*Editor-in-Chief  
World Journal of Experimental Medicine*

Dear Sir or Madam,

**Confirmation of English language editing of a manuscript**

I hereby certify that the manuscript entitled "*A discernment scheme for paraquat poisoning: a five-year experience in Shiraz, Iran*" by Dr. Sayed Mahdi Marashi and co-workers has been professionally edited by one of the English language editors at this Research Consultation Center.

Sincerely,

Mohammad Amin Mosleh-Shirazi *PhD CSci*

Head of Research Consultation Center  
Vice-Chancellery of Research and Technology  
Shiraz University of Medical Sciences
