COMMENTS TO AUTHORS

Authors should be commended for their efforts in conducting this very interesting study. In the introduction please cite the most recent meta-analysis confirming the efficacy of gastric ESD (Facciorusso A, Antonino M, Di Maso M, Muscatiello N. Endoscopic submucosal dissection vs endoscopic mucosal resection for early gastric cancer: A meta-analysis. World J Gastrointest Endosc. 2014 Nov 16;6(11):555-63. doi: 10.4253/wjge.v6.i11.555. PMID: 25400870) I advice authors to have their manuscript revised by a native speaker.
