RE: Manuscript# 32189 entitled Simultaneous Double Duct and Courvoisier's Signs

Dear Dr. Ji,

We are delighted to see that our paper is of interest to the Editorial Board of the World Journal of Gastrointestinal Surgery. We have taken into consideration the valuable comments of the reviewer and revised the manuscript. Thank you for your considering our work for publication in your prestigious journal.

**Reviewer code 03474948**

We thank the reviewer for the comments. We have incorporated detailed differential diagnoses of Courvoisier's and double duct signs in the Discussion.

Sincerely,
