

MONASH UNIVERSITY
MMCB ANIMAL ETHICS COMMITTEE

To: Peter Temple-Smith (Chair, AEC)
From: A/Prof William Sievert (Chief Investigator)
Date: 29-08-2007
Re: **Minor Amendment Request to add/remove Experimenter on Animal Ethics Project**

I am writing to seek permission for the **ADDITION** of the following investigator for experimentation involving animals.

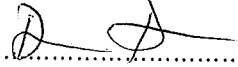

These sections only need to be completed when adding a new experimenter.

Animal Ethics Project Approval Numbers:	MMCB 2004/10				
Title of Animal Ethics Project	Investigations into the mechanisms of liver fibrosis				
Reason for ADDITION/REMOVAL (Select option):	Investigator, Virginia Knight, is on maternity leave from June 2007 – February 2008				
Name:	Dinushka Dowling				
Qualifications (if PhD indicate field of study)*:	Bachelor of Biomedical Science (Hons)				
Position (i.e. lecturer, PhD student):	Medical Scientist				
Department / Institution:	Medicine, Monash University, MMC Clayton				
Scientific Establishment Licence*:	SPPL089				
Role in the project:	Blood collection				
Attended MUAWC compulsory training module?*	NO - Will attend next training course Next planned date: 19/02/2008				
Training required?*	YES				
Experience with techniques and species this person will be using in this project* Examples Euthanasia; Surgical – nominate which procedure, anaesthesia; Non surgical – bleeds, injections, gavage etc; Animal monitoring – experiment, post surgical, daily etc					
Techniques/ Procedures (Itemise; add extra rows if reqd.)	Species	Level of Experience: Approx. number of times you have performed the procedure in this species			Specify Trainer's name (if none or limited)
		None (<5)	Limited (eg 5-20)	High (eg >20)	
Blood Collection	Mouse	X			Alan Norris

* For a listing of Monash SE licences, see the web <http://www.monash.edu.au/resgrant/animal-ethics/forms/annrep.html#bawarf>

DECLARATION OF ADDITIONAL PERSONNEL INVOLVED IN ANIMAL USE

- I have read the application for the above projects.
- I have read the provisions of Part III of the Prevention of Cruelty to Animals Act 1986 (including Amendments).
- I have read the NHMRC Australian Code of Practice for the Care and Use of Animals for Scientific Purposes (1997)
- I agree to submit to the authority of the Chief Investigator, the Head of Faculty/Department and Scientific Establishment Licence Holder listed in the section below for the purposes of collaboration on this project.
- I consent for my name to be provided to Monash University AEO and with this AEC and kept on file and in a confidential database. I understand that this information may be used in reports made to MUAWC or any government department with legal authority to access this information.
