## INTERNAL MEMORANDUM

**TO :** **AMIN DAOULAH, MD** **DATE:** 15 Jumad Al Awal 1434  
Principal Investigator, IRB 2012-27 27 March 2013  
Consultant, Cardiovascular Department  
**REF.:** RC-J 137-34

**FROM :** **OSMAN HAMOUR, MD**  
Chairman, Institutional Review Board (IRB)  
Research Centre  
KACST Registration# H-02-J-009 (dated 18/05/1433)

**SUBJECT :** **PROTOCOL RESUBMISSION – APPROVAL**  
**IRB 2012-27:** *Multiple marriages in males and multiple divorces in females as predictor of cardiovascular outcome: A multi-center study from two Gulf regions*

Thank you for your resubmission of the above-mentioned research study. Your response to the Board's recommendation for the modifications in your protocol was reviewed expeditedly and I am pleased to inform you that the changes made were satisfactory and as indicated in the earlier memo (Reference # RC-J 124-34 dated 26 February 2013) scientific and ethical approval is granted. You may now start with the conduct of the protocol.

Please submit to the Board the first Biannual Progress Report for this study by **26 September 2013**.
