To whom this may concern,

I, Henry Huang, a native English speaker (Canadian passport No.: BA362270) have read the below article written by Mr. Han FH, Hua LX, Zhao Z, Wu JH and Zhan WH. The wording and grammar used in the article is a qualified English paper.

***Transanal Natural Orifice Specimen Extraction for laparoscopic
low/ultralow anterior resection in rectal cancer***

Best Regards,

Henry Huang

A handwritten signature in black ink, consisting of a horizontal line with a small loop at the end, and a vertical line crossing it. The signature is positioned to the right of the printed name "Henry Huang".
