**Rescue ALPPS after portal embolization: our experience and literature review**

**Charlotte Maulat, Antoine Philis, Bérénice Charriere, Fatima-Zohra Mokrane, Rosine Guimbaud, Philippe Otal, Bertrand Suc, Fabrice Muscari**

**Abstract**

**AIM:** To report a single-center experience in rescue ALPPS, after failure of previous portal embolization. We also performed a literature review.

**METHODS:** Between January 2014 and December 2015, every patient who underwent a rescue ALPPS (Associating Liver Partition and Portal vein ligation for Staged hepatectomy) procedure in Toulouse Rangueil University Hospital, France, was included.
