Bangkok 10400, Thailand

26th January 2017

To whom it may concern,

I am a native English speaker with about 15 years of experience in checking medical English.
I have proofread the manuscript:

Using Humeral nail for surgical reconstruction of femur in adolescents with osteogenesis imperfecta

and I have corrected it to a Global English standard. I recommend the English used is suitable for an international publication. If you have any questions please contact me.

Thank you.

Yours faithfully,

A handwritten signature in blue ink that reads "Stephen J Pinder".
