

Institutional review board statement

Name of Journal: *World Journal of Orthopedics*

Manuscript NO: 33148

Title: **Acetabular revisions using porous tantalum components: A retrospective study with 5-10 years follow-up**

Authors List: **Francesco Roberto Evola, Luciano Costarella, Giuseppe Evola, Martina Barchitta, Antonella Agodi, Giuseppe Sessa**

The Research Ethics Board has not considered it necessary to formulate authorization for this retrospective study because the data was analyzed anonymously and the results were reported in an aggregate manner.

Francesco Roberto Evola

A handwritten signature in black ink, appearing to be 'FR' followed by a large, stylized flourish that loops back to the left.
