

The following should be noted when all authors sign the agreement:

1 Authors are prohibited from making any changes to the BAISHIDENG PUBLISHING GROUP IN COPYRIGHT ASSIGNMENT without the prior consent of the editorial board. If authors have any different opinion about the copyright transfer agreement, they should contact the editorial office before making any changes to it.

2 All authors will sign their names on a single page, in the order that they appear on the title page of the manuscript; multiple signature pages are not acceptable. Once all authors have signed, please return the signed version (in PDF format) to the editorial office. Delivery of a printed version of the copyright transfer agreement or a signed copyright transfer agreement is not acceptable. This agreement will be released together with the published article.

3 Each author must sign his/her name and date himself/herself. Others are not allowed to sign the agreement on behalf of authors. If this situation is found to have occurred, the manuscript will be withdrawn immediately, all of the authors will be placed on the publication blacklist for any journal published by the Baishideng Publishing Group, and any submissions to journals published by the Baishideng Publishing Group will not be considered or accepted for publication.

Application for copyright transfer will be made by written declaration of and attestation to the following:

1 That the manuscript is not simultaneously being considered by other journals or already published elsewhere.

2 That the manuscript has no redundancy, plagiarism, data fabrication, or falsification.

3 That the author(s) has(have) no conflict of interest related to the manuscript.

4 That all experiments involving animals and human subjects were designed and performed in compliance with the relevant laws regarding the humane care and use of subjects.

5 That the material contained within the manuscript is original, with all information from other sources appropriately referenced, and that written specific permission has been granted by any existing copyright holders prior to publication and is clearly cited and available.

That the author(s) agree to transfer to Baishideng Publishing Group Inc. exclusive copyright ownership for all formats of the manuscript, including print and electronic formats, English and non-English language formats, and subsequent editions such as e-books, in addition to all rights for (1) granting permission to republish or reprint materials in whole or in part, with or without a fee, (2) printing copies for distribution or for sale, and (3) republishing the materials in a compendium or in
