COMMENTS TO AUTHORS

The manuscript focuses on TAVR by Dr Muhammad Rizwan Sardar et al. is very interesting and useful to the field. But I still have some concerns. 1. Please add more complications about TAVR. 2. There are a few grammar errors should be corrected. 3. Please add the two citations: Antithrombin III/SerpinC1 insufficiency exacerbates renal ischemia/reperfusion injury. *Kidney Int.* 2015 Oct;88(4):796-803. Clinical survey on contrast-induced nephropathy after coronary angiography. *Ren Fail.* 2013 Oct;35(9):1255-9.
