

Name of Journal: *World Journal of Gastrointestinal Endoscopy*

Manuscript NO: 33720

Manuscript Type: Original Article

Retrospective Cohort Study

1 Clinical impact of confocal laser endomicroscopy in the management of gastrointestinal lesions with an uncertain diagnosis

1 Carlos Robles-Medranda, Maria Vargas, Jesenia Ospina, Miguel Puga-Tejada, Manuel Valero, Miguel Soria, Gladys Bravo, Carlos Robles-Jara, Hannah Pitanga Lukashok

Abstract

AIM: To evaluate the clinical impact of CLE in the diagnosis and management of patients with an uncertain diagnosis.
