Dear Mrs Tiren

We hereby certify that;

**Nicolette Leonie Verbeet**

born on **August 4, 1978** at **Rotterdam the Netherlands**

having passed the examination in **Biomedical Sciences** was admitted to the degree of  
**Master of Science**, at **Leiden, May 22, 2001**

She also having passed the final examination in **Medicine** was admitted to the degree of **Physician** (doc-  
tor in Medicine) at **Leiden, February 22, 2007**

The undersigned declares that:

- a certificate, is issued once;
- if the diploma was lost in any way, the Leiden University Medical Center can only give a declaration or translation in English as above;
- Dutch students eligible to enter university have passed a level of English in secondary/high school equivalent to at least \* IELTS 6.5 Even though the courses in the LUMC are mostly taught in Dutch, all the books used are in English. Students have a mandatory semester in English and most research is also performed in English.
- At Master graduation, LUMC students have a level of English that is at least comparable to \*IELTS 7.0.

\*(IELTS) International English Language Testing System

Yours sincerely,

  
A.J. de Beaufort, MD, Ph.D.
