On behalf of all the authors, I , Rim Jawad, hereby sign a personal guarantee that the language of our manuscript "Morphological alterations and redox changes associated with hepatic warm ischemia-reperfusion injury" No. 34540 is of Grade A quality. This manuscript is a resubmission of an earlier version that underwent peer review process. All three reviewers marked it to be of Grade A quality, priority publishing. Henceforth, we believe that our manuscript may not require only language editing

With best regards

Signed,
