Prof. Piotr Socha
Director of Scientific Affairs
of The Children's Memorial Health Institute

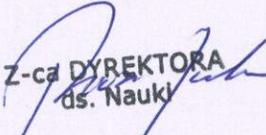

Dear Sirs,

Hereby I declare that the following three research projects have received financial support at the Children's Memorial Health Institute:

1. 3-year project registered under No S147/2016 led by Professor Bożena Cukrowska, qualified for funding from the 16th of August, 2016,
2. 2.5-year project registered under No 236/15 led by Doctor Agnieszka Sowińska, qualified for funding from the 1st of November, 2015,
3. 2-year project registered under No 243/16 led by Doctor Joanna Bieła, qualified for funding from the 16th of August, 2016,

The source of funding are statutory subsidies to maintain the research potential, granted by the decisions of the Minister of Science and Higher Education of Poland.

Sincerely,

Z-ca DYREKTORA
ds. Nauki
