

Barcelona, 25<sup>th</sup> June 2013

The undersigned, **CAROLYN NEWHEY**, native English speaker and professional author's editor for scientific articles, certifies that she has reviewed the manuscript entitled "**Hypoglycemia associated with fluoxetine treatment in a patient with type 1 diabetes**" by **Betina Biagetti and Rosa Corcoy**. The English language of the current version of the manuscript deserves an A grade.

A handwritten signature in black ink, appearing to read 'C. Newey', is written over a horizontal line. The signature is fluid and cursive, with a large initial 'C' and a long, sweeping underline.
