JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

The presented review article of Drs. Taherkhani and Farshadpour on the subject of lobal elimination of hepatitis C virus infection: progresses and the remaining challenges is well written and performed and concise in its content. The review article is of high interest for the readers of WJH. The authors successfully implemented the criticisms and comments raised by the reviewers in the revised version of the manuscript. The language meets the requirements for publication. I have no additional and specific comments to the presented review article.
