The manuscript 35682 for WJO was proofread by Gennadiy A. Busel, M.D.

Dr. Busel is a U.S. medical scientist, who was educated at American schools including University of Illinois at Chicago, Medical College of Wisconsin in Milwaukee, WI and Saint Louis University in Missouri for Orthopaedic Surgery. I have written and published scientific papers in English language and presented at numerous national, regional and international conferences in the English language (please see attached CV for details).

Sincerely,

Gennadiy A. Busel, M.D.
