Re: 2016 CTSI National Research Service Awards (NRSA) Training Program (TL1)

Dear Ms. Broglie,

I am pleased to inform you that your application for the CTSI TL1 Award was recommended for funding. The funding includes a monthly stipend of \$4,792, beginning August 16, 2016, and ending August 15, 2017 (stipend rate is subject to change based on NIH stipend levels).

The terms of the award are as follows:

- Commitment of 80% effort in research or research training.
- Regular Progress Reports to the Director of the CTSI Training Core (TL1).
- Respond to eRA Commons notifications, as you will need to review/submit items on The Statement of Appointment form within eRA Commons - xTrain (see your Department Administrator for assistance).
- On all relevant publications and presentations, we ask that you acknowledge that: **"This publication [or project] was supported by the National Center for Advancing Translational Sciences, National Institutes of Health, through Grant Numbers UL1TR001436 and 1TL1TR001437. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the NIH."**

We are excited about your development as a researcher and future clinical and translational collaborations with you. Congratulations on your award.

Best,

David Brousseau, MD  
Chief, Professor  
Pediatrics, Emergency Medicine  
Director, CTSI NRSA Training Program (TL1)  
Medical College of Wisconsin

Reza Shaker, MD  
Director, Clinical & Translational Science  
Institute of Southeast Wisconsin  
Senior Associate Dean for Clinical and  
Translational Research  
Joseph E. Geenen Professor and Chief  
Division of Gastroenterology and Hepatology  
Medical College of Wisconsin

cc: Mary Horowitz, MD, MS
